**2. THE CONTRACT:**

**2.1** All orders must be in writing and are accepted subject to these Terms and Conditions of Sale. No terms or conditions put forward by Buyer and no representations, warranties, guarantees or other statements not contained in Seller's quotation or Acknowledgement of Order nor otherwise expressly agreed in writing by Seller shall be binding on Seller.  
**2.2** The Contract shall become effective only upon the date of acceptance of Buyer's order on Seller's Acknowledgement of Order form or upon the date of fulfillment of all conditions precedent stipulated in the Contract, whichever is the later (the «Effective Date»). If the details of the Goods or Services described in Seller's quotation differ from those set out in the Acknowledgement of Order Form the latter shall apply.  
**2.3** No alteration or variation to the Contract shall apply unless agreed in writing by both parties. However, Seller reserves the right to effect minor modifications and/or improvements to the Goods before delivery provided that the performance of the Goods is not adversely affected and that neither the Contract Price nor the delivery date is affected.

**3. VALIDITY OF QUOTATION AND PRICES:**

**3.1** Unless previously withdrawn, Seller's quotation is open for acceptance within the period stated therein or, when no period is so stated, within thirty days after its date.  
**3.2** Prices are for delivery within the period stated in Seller's quotation and are exclusive of (a) Value Added Tax and (b) any similar and other taxes, duties, levies or other like charges arising outside France in connection with the performance of the Contract.  
**3.3** Prices (a) are for Goods delivered EXW (Ex works) Seller's shipping point, exclusive of freight, insurance and handling and (b) unless otherwise stated in the Seller's quotation, are exclusive of packing. If the Goods are to be packed, packing materials are non-returnable.

**4. PAYMENT:**

**4.1** Payment shall be made: (a) in full without set-off, counterclaim or withholding of any kind (save where and to the extent that this cannot by law be excluded); and (b) in the currency of Seller's quotation within thirty days of date of invoice unless otherwise specified by Seller's Finance Department. Goods will be invoiced at any time after their readiness for despatch has been notified to Buyer. Services will be invoiced monthly in arrears or, if earlier, upon completion. Without prejudice to Seller's other rights, Seller reserves the right to: (i) charge interest on any overdue sum at 7% above the European Central Bank's main refinancing operations interest rate during the period of delay; (ii) suspend performance of the Contract (including withholding shipment) in the event that Buyer fails or in Seller's reasonable opinion it appears that Buyer is likely to fail to make payment when due under the Contract or any other contract; and (iii) at any time require such reasonable security for payment as Seller may deem reasonable.  
**4.2** Terms and conditions of payment. Our invoices are payable to our head office address. No deduction of a sum as a guarantee shall be made from our invoices. Unless otherwise stipulated, the payments must be made within 30 days from the end of the month of delivery, without discount, by bank transfer, cheque, bill of exchange or accepted draft. Beyond that deadline, it is imperative that the payment be made by accepted draft or bill of exchange. The customer shall return the accepted drafts within 25 days of receipt. Early payment shall earn a discount calculated on the basis of 0.3% per full month of the amount specified in the invoice. The times for payment shall not be extended or changed even in the event of dispute. Any failure to make a payment by the due date shall result in suspension of the orders and deliveries in process, and penalties for late payment shall be charged from the due date to the date of effective payment at the rate applied by the European Central Bank, increased by 7 (seven) points. Those penalties shall be due and payable without the need for a reminder. Also, it is agreed that STIF – Société de Tôlerie Industrielle Française – reserves the right to limit the outstanding debt of a customer with regards to its solvency, as well as to outstanding debts and contracts that are solicited, which it must settle. In particular, we may request substantial deposits and (or) guarantees. Those deposits remain the property of our company if the balance for an order, or for orders that remain to be executed on our part, is past due. In any event, when the customer acts as an intermediary for the account of an ordering party, it must provide our company with all relevant information that is not confidential regarding said party's identity and the terms of payment that are granted thereto.

**5. DELIVERY PERIOD:**

**5.1** Unless otherwise stated in Seller's quotation, all periods stated for delivery or completion run from the Effective Date and are to be treated as estimates only not involving any contractual obligations.  
**5.2** If Seller is delayed in or prevented from performing any of its obligations under the Contract due to the acts or omissions of Buyer or its agents (including but not limited to failure to provide specifications and/or fully dimensioned working drawings and/or such other information as Seller reasonably requires to proceed expeditiously with its obligations under the Contract), the delivery/completion period and the Contract Price shall both be adjusted accordingly.  
**5.3** If delivery is delayed due to any act or omission of Buyer, or if having been notified that the Goods are ready for despatch, Buyer fails to take delivery or provide adequate shipping instructions, Seller shall be entitled to place the Goods into a suitable store at Buyer's expense. Upon placing the Goods into the store, delivery shall be deemed to be complete, risk in the Goods shall pass to Buyer and Buyer shall pay Seller accordingly.

**6. FORCE MAJEURE:**

**6.1** The Contract (other than Buyer's obligation to pay all sums due to Seller in accordance with the Contract) shall be suspended, without liability, in the event and to the extent that its performance is prevented or delayed due to any circumstance beyond the reasonable control of the party affected, including but not limited to: Act of God, war, armed conflict or terrorist attack, riot, re-explosion, accident, pool, sabotage, governmental decisions or actions (including but not limited to prohibition of exports or re-exports or the failure to grant or the revocation of applicable export licenses), or labour trouble, strike, lockout or injunction. Seller shall have no obligation to supply any hardware, software, services or technology unless and until it has received any necessary licences or authorisations or has qualified for general licences or licence exceptions under applicable import, export control and sanctions laws, regulations, orders and requirements, as they may be amended from time to time (including without limitation those of the United States, the European Union and the jurisdiction in which Seller is established or from which the items are supplied). If for any reason any such licences, authorisations or approvals are denied or revoked, or if there is a change in any such applicable laws, regulations, orders or requirements that would prohibit Seller from fulfilling the Contract, or would in the reasonable judgement of Seller otherwise expose Seller and/or Seller's Affiliate(s) to a risk of liability under applicable laws, regulations, orders or requirements, Seller shall be relieved without liability of all obligations under the Contract.  
**6.2** If either party is delayed or prevented from performance of its obligations by reason of this Clause for more than 180 consecutive calendar days, either party may terminate the then unperformed portion of the Contract by notice in writing given to the other party, without liability provided that Buyer shall be obliged to pay the reasonable cost and expense of any work in progress and to pay for all Goods delivered and Services performed as at the date of termination. Seller may deliver by instalments and if so each delivery shall constitute a separate contract and failure by Seller to deliver any one or more of the instalments in accordance with their terms shall not entitle Buyer to terminate the whole Contract or treat it as terminated.

**7. INSPECTION, TESTING AND CALIBRATION:**

**7.1** Goods will be inspected by Seller or manufacturer and, where practicable, submitted to Seller's or manufacturer's standard tests before despatch. Any additional tests or inspection (including inspection by Buyer or its representative, or tests in the presence of Buyer or its representative and/or calibration) or the supply of test certificates and/or detailed test results shall be subject to Seller's prior written agreement and Seller reserves the right to change therefore; if Buyer or its representative fails to attend such tests, inspection and/or calibration after seven days' notice that the Goods are ready therefore, the tests, inspection and/or calibration will proceed and shall be deemed to have been made in the presence of Buyer or its representative and the Seller's statement that the Goods have passed such testing and/or inspection and/or have been calibrated shall be conclusive.  
**7.2** Claims for shortfalls in quantity or for incorrect delivery shall be void if made more than 14 days after delivery.

**8. DELIVERY, RISK & TITLE :**

**8.1** Unless otherwise expressly stated in the Contract, the Goods will be delivered Carriage Paid To (CPT) the destination named in the Contract; freight, packing and handling will be charged at Seller's standard rates. Risk of loss of or damage to the Goods shall pass to Buyer upon delivery as aforesaid and Buyer shall be responsible for insurance of the Goods after risk has so passed. Alternatively, if it is expressly stated in the Contract that Seller is responsible for the insurance of the Goods after their delivery to the carrier; such insurance will be charged at Seller's standard rates. «Ex-works», «FCA», «CPT» and any other delivery terms used in the Contract shall be defined in accordance with the latest version of Incoterms.  
**8.2** Subject to Clause 9, title to the Goods shall pass to Buyer upon delivery in accordance with Clause 8.1.

**9. DOCUMENTATION AND SOFTWARE**

**9.1** Title to and ownership of the copyrights in software and/or firmware incorporated into or provided for use with the Goods («Software») and documentation supplied with the Goods («Documentation») shall remain with the relevant Seller Affiliate (or such other party as may have supplied the Software and/or Documentation to Seller) and is not transferred hereby to Buyer.  
**9.2** Except as otherwise provided herein, Buyer is hereby granted a non-exclusive, royalty-free licence to use the Software and Documentation in conjunction with the Goods, provided that and for so long as the Software and Documentation are not copied (unless expressly authorised by applicable law) and Buyer holds the Software and Documentation in strict confidence and does not disclose them to others, or permit others to have access to them (other than Seller's standard operating and maintenance manuals). Buyer may transfer the foregoing licence to another party which purchases, rents or leases the Goods, provided the other party accepts and agrees in writing to be bound by the conditions of this Clause 9.  
**9.3** Seller and Seller Affiliate shall retain ownership of all inventions, designs and processes made or evolved by them and save as set out in this Clause 9 no rights in intellectual property are hereby granted.

**10. DEFECTS AFTER DELIVERY**

**10.1** Seller warrants (i) subject to the other provisions of the Contract, good title to and the unencumbered use of the Goods; (ii) that Goods manufactured by Seller and/or Seller's Affiliate shall conform with Seller's specification therefore and be free of defects in materials and workmanship and (iii) that Services provided by Seller or Seller Affiliate will be performed

with all reasonable skill, care and due diligence and in accordance with good engineering practice.

Seller will make good, by repair or at Seller's option by the supply of a replacement part or parts, any defects which, under proper use, care and maintenance, appear in Goods of Seller's or Seller's Affiliates' manufacture and which are reported to Seller within 12 calendar months from putting such Goods into operation or 18 calendar months after their delivery, whichever period expires the sooner, (90 days after delivery in the case of Consumables and spare parts) (the «Warranty Period») and which arise solely from faulty materials or workmanship; provided always that defective items are returned to Seller at Buyer's cost carriage and insurance prepaid within the Warranty Period. («Consumables» shall include the bolts and the gaskets). Replaced items shall become the property of STIF. Repaired or replacement items will be delivered by Seller at Seller's cost to Buyer's mainland site in France or, if Buyer is located outside France, FCA in France. Seller will correct defects in Services provided by Seller or Seller Affiliate and reported to Seller within ninety days after completion of such Services. Goods or Services repaired, replaced or corrected in accordance with this Clause 10.1 shall be subject to the foregoing warranty for the unexpired portion of the Warranty Period or for ninety days from the date of their return to Buyer (or completion of correction in the case of Services), whichever expires the later.  
**10.2** Goods or Services sourced by Seller from a third party (not being a Seller Affiliate) for resale to Buyer shall carry only the warranty extended by the original manufacturer.  
**10.3** Notwithstanding Clauses 10.1 and 10.2, Seller shall not be liable for any defects caused by: fair wear and tear; materials or workmanship made, furnished or specified by Buyer; non-compliance with Seller's storage, installation, operation or environmental requirements; lack of proper maintenance; any modification or repair not previously authorised by Seller in writing; nor the use of non-authorised software or spare or replacement parts. Seller's costs incurred in investigating and rectifying such defects shall be paid by Buyer upon demand. Buyer shall at all times remain solely responsible for the adequacy and accuracy of all information supplied by it.  
**10.4** Subject to Clause 12.1, the foregoing constitutes Seller's sole warranty and Buyer's exclusive remedy for breach thereof. No representations, warranties or conditions of any kind, express or implied, shall apply as to satisfactory quality, fitness for any particular purpose or any other matter with respect to any of the Goods or Services.

**11. PATENT, ETC. INFRINGEMENT:**

**11.1** Subject to the limitations set forth in Clause 12, Seller shall indemnify Buyer in the event of any claim for infringement of Letters Patent, Registered Design, Design Right, Trade Mark or Author's Rights («Intellectual Property Rights») existing at the date of formation of the Contract arising from the use or sale of the Goods, against all reasonable costs and damages awarded against Buyer in any action for such infringement, or for which Buyer may become liable in any such action, provided always that Seller shall not be liable to so indemnify Buyer in the event that: (i) such infringement arises as a result of Seller having followed a design or instruction furnished or given by Buyer, or the Goods having been used in a manner or for a purpose or in a country not specified by or disclosed to Seller prior to the date of the Contract or in association or combination with any other equipment or software; or (ii) Seller has at its expense procured for Buyer the right to continue to use the Goods or has modified or replaced the Goods so that the Goods no longer infringe. (iii) Buyer has failed to give Seller the earliest possible notice in writing of any claim made or to be made or of any action threatened or brought against Buyer and/or Buyer has failed to permit Seller, at Seller's expense, to conduct and control any litigation that may ensue and all negotiations for a settlement of the claim, or (iv) Buyer has made without Seller's prior written consent any admission which is or may be prejudicial to Seller in respect of any such claim or action, or (v) the Goods have been modified without Seller's prior written authorisation.  
**11.2** Buyer warrants that any design or instructions furnished or given by it shall not cause Seller to infringe any Intellectual Property Rights in the performance of Seller's obligations under the Contract and shall indemnify Seller against all reasonable costs and damages which Seller may incur as a result of any breach of such warranty.

**12. LIMITATION OF LIABILITY:**

Notwithstanding any other provision of the Contract, except to the extent prohibited by applicable law, Seller's and Seller Affiliate's total liability for any and all damages, claims or causes of action howsoever arising (including, without limitation, damage, claims or causes of action by breach of contract or statutory duty, negligence, strict liability or infringement of Intellectual Property Rights) shall not exceed a sum equal to the Contract Price. Notwithstanding the foregoing or any other provision of the Contract, Seller and Seller Affiliate shall not be liable in any circumstances for any loss of profits, increased costs, loss of revenue, loss of contracts, loss of use, loss of data or for any indirect loss.

**13. STATUTORY AND OTHER REGULATIONS:**

**13.1** If Seller's obligations under the Contract shall be increased or reduced by reason of the making or amendment after the date of Seller's quotation of any law or any order, regulation or by-law having the force of law that shall affect the performance of Seller's obligations under the Contract, the Contract Price and delivery period shall be adjusted accordingly and/or performance of the Contract suspended or terminated, as appropriate.  
**13.2** Except to the extent otherwise required by applicable law, Seller shall have no responsibility for the collection, treatment, recovery or disposal of (i) the Goods or any part thereof when they are deemed by law to be 'waste' or (ii) any items for which the Goods or any part thereof are replacements. If Seller is required by applicable law, including waste electrical and electronic equipment legislation, European Directive 2002/96/EC (WEEE) and related legislation in EU Member States, to dispose of 'waste' Goods or any part thereof, Buyer shall, unless prohibited by applicable law, pay Seller, in addition to the Contract Price, either (i) Seller's standard charge for disposing of such Goods or (ii) if Seller does not have such a standard charge, Seller's costs (including all handling, transportation and disposal costs and a reasonable mark-up over overhead) incurred in disposing of such Goods.  
**13.3** Buyer's personnel shall, whilst on Seller's premises, comply with Seller's applicable site regulations and Seller's reasonable instructions, including but not limited to those relating to safety, security and electrostatic discharge.

**14. COMPLIANCE WITH LAWS:**

Buyer agrees that all applicable import, export control and sanctions laws, regulations, orders and requirements, as they may be amended from time to time, including without limitation those of the United States, the European Union and the jurisdictions in which Seller and Buyer are established or from which items may be supplied, and the requirements of any licences, authorisations, general licences or licence exceptions relating thereto will apply to its receipt and use of hardware, software, services and technology. In no event shall Buyer use, transfer, release, export or re-export any such hardware, software or technology in violation of such applicable laws, regulations, orders or requirements or the requirements of any licences, authorisations or licence exceptions relating thereto. Buyer agrees furthermore that it shall not engage in any activity that would expose the Seller or any of its Affiliates to a risk of penalties under laws and regulations of any relevant jurisdiction prohibiting improper payments, including but not limited to bribes, to of aids of any government or of any agency, instrumentality or political subdivision thereof, to political parties or political party of candidates for public office, or to any employee of any customer or supplier. Buyer agrees to comply with all appropriate legal, ethical and compliance requirements.

**15. DEFAULT, INSOLVENCY AND CANCELLATION:**

Seller shall be entitled, without prejudice to any other rights it may have, to terminate the Contract forthwith, wholly or partly, by notice in writing to Buyer, if (a) Buyer is in default of any of its obligations under the Contract and fails, within 30 (thirty) days of the date of Seller's notification in writing of the existence of the default, either to rectify such default if it is reasonably capable of being rectified within such period or, if the default is not reasonably capable of being rectified within such period, to take action to remedy the default or (b) if Seller has good reasons to believe that Buyer will not be in a position to comply with its obligations, in particular regarding payment for the Goods and/or Services. Seller shall be entitled to recover from Buyer or Buyer's representative all costs and damages incurred by Seller as a result of such termination, including a reasonable allowance for overheads and profit (including but not limited to loss of prospective profits and overheads).

**16. SUPPLEMENTARY TERMS AND CONDITIONS:**

If the Goods comprise or include a control system, Seller's Supplementary Terms and Conditions Applicable to the Supply of Control Systems and Related Services shall apply to the control system and related services only. Such Supplementary Terms and Conditions shall take precedence over these Standard Terms and Conditions of Sale.

**17. MISCELLANEOUS:**

**17.1** No waiver by either party with respect to any breach or default or of any right or remedy and no course of dealing, shall be deemed to constitute a continuing waiver of any other breach or default or of any other right or remedy, unless such waiver be expressed in writing and signed by the party to be bound.  
**17.2** If any clause, sub-clause or other provision of the Contract is invalid under any statute or rule of law, such provision, to that extent only, shall be deemed to be omitted without affecting the validity of the remainder of the Contract.  
**17.3** Buyer shall not be entitled to assign its rights or obligations hereunder without the prior written consent of Seller.  
**17.4** Seller enters into the Contract as principal. Buyer agrees to look only to Seller for due performance of the Contract.
